**Subject:** FW: Update on SO2 Designations  
**Attachments:** SO2 Nonattainment Counties.pdf  
**Importance:** High

Greetings everyone,

Here's the latest update on SO2 designations. Per the email below from Mr. Millet, it looks like we could get signature on tomorrow. We (HQs) are only sending letters to states with NAAs. Regions (except Region 2), you are NOT required to do anything. Region 2, although you don't have any NAAs, at OAR management's request, NJ will receive a letter. NJ's letter will be signed by R2's RA and you should prepare to sign, date, & send your letter once we get signature.

WHAT TO EXPECT: If we get signature tomorrow, HQs (e.g. Jan Cortleyou-Lee or myself) will send regional staff their signed letters. Regions, you may forward your signed letters to the appropriate persons as you see fit.

Should you have any questions regarding this process and/or what to expect, please do not hesitate to contact me. I will continue to keep you posted as more information becomes available.

**Subject:** Heads up -- OAR Comm Call re: SO2 Designations -- 2 pm EDT

Hi Everyone – It looks like the letters to states notifying them of their SO2 nonattainment status will be going tomorrow (please see the attached list). Only regions 2 and 10 do NOT have a nonattainment area in this round of designations. Questions about specific areas can be handled by your regional air divisions, who've been involved throughout the designation process.

During our weekly OAR comm call today, Jan Cortelyou and Andrea Drinkard will go over the plan, cover the background, and answer any questions.

More materials will soon be circulated. Look for an e-mail from Andrea Drinkard. Also, an agenda for the call will be going around shortly, but here are the coordinates –

**2PM EDT**

Thanks,

John
